A FARMER, named Jno. Turney, who live near Easton, lost a valuable mule while in this city Monday. The animal, which was with another attached to a wagon, suddenly becoming ill, laid down and died.

OTHELLO's occupation will soon be gone

So sings the bummer. Next Tuesday will send many a poor cuss who has been hang-"ragged edge" of some cheap politician for support, to the curb-stone. A SEVERE storm swept over the city yes terday afternoon, about 2 o'clock, and for a

time the air was perfectly dark with clouds of dust, after which a heavy rain began falling and kept up at intervals during the greater part of the night.

A little child belonging to the family G. Worth, on "econd and Miami streets, fell from the second story of the residence last Sunday about eleven o'clock, and striking on the ground, received severe iviaries breaking its right arm above the elbow, and getting badly bruised about the body.

THE attention of the street commission is called to the almost impassable condition of 6th street between Oak and Walnut sta. Yesterday afternoon, as a lady was driving

a horse belonging to Fire Marshal Deibl, yesterday about 11 o'clock, was thrown off against a curbstone near Mr. Phelan's grocery store on the corner of Seneca and Fi th streets, and was so badly injured as to cause serious fears for a time that he would not recover, but was late in the evening reported to be getting along very well.

In our notice yesterday of a recent suit brought against some members of the city council by I seley Shire & Co., we were mis-Mayor and the entire council moving the only excuse for this inreat that he was drunk when subject to assess a fine of \$500 on sibly give would be that he was drunk when he made it he made it the city, in The Times wants it distinctly understood the power to various them in their worst ends were to various the city and bladder troubles, gout, meanmanism, and the country and the country and bladder troubles, gout, meanmanism, and the country and bladder troubles, gout, meanmanism, and the country a favor of the plaintiffs. It seems there had at one time been an informed conversation with regard, and probably favorable to the levy of the tax, but it was not while the
